THE MOTHS OF BORNEO

by

J.D. HOLLOWAY

The Malayan Nature Society and Southdene Sdn. Bhd. are pleased to announce "The Moths of Borneo", a definitive and fully illustrated work being produced by Dr. J.D. Holloway. This is the first of a number of papers which will appear initially in The Malayan Nature Journal over several years, and are now being made available in paper covers in a standard format.

It is not at present possible to give a firm timetable, or accurate order of appearance for the different parts, but provisionally these are planned as follows, at the rate of 1 or 2 parts per year:

The Malaysian Nature Society and Southdene Sdn. Bhd. have, with this issue, completed sixteen out of a planned eighteen parts of "The Moths of Borneo", a definitive and fully illustrated work being produced by Dr J.D. Holloway. Twelve earlier parts, 1, 4, 5, 8, 7, 9, 10, 11, 12, 14, and the double issue of 15 + 16 have been published in The Malayan Nature Journal and also produced in paper covers by Southdene Sdn. Bhd. in a standard format. Parts 3, 6 and 18 were produced solely by Southdene Sdn. Bhd.

The remaining two parts (*) are in preparation and will, it is hoped, be produced over the next two years.
